FILED

Dear Honorable Judge:

I have filed suit pro se. I do not fully understand the extent of Civil Procedure. A lawyer would have access to a better library and more familiarity with legal forms and procedures. I have made many attempts to obtain counsel. A trial will likely involve conflicting testimony, and counsel would better enable me to present evidence efficiently and cross examine witnesses.

Please consider appointing counsel to me.

Sincerely,

A handwritten signature in cursive script, reading "Jennifer A. Fedorek". The signature is written in black ink and is positioned above the printed name.
